

SINGER®

SE9180

SE9180 Sewing and Embroidery Machine

FEATURES & BENEFITS

mySewnet™ CONNECTIVITY

Connect all mySewnet enabled devices to communicate wirelessly between them to transfer designs, monitor your embroidery progress, and access designs through the mySewnet Library on screen. *

LARGE 7" COLOR TOUCH SCREEN

Get all the information you need directly on a large 7" color touch screen. See your settings clearly, preview designs, and make all your edits on screen with confidence.

AUTOMATIC NEEDLE THREADER

Thread the needle quickly and easily with the push of a lever.

*Subscription is needed after 90 days for access to mySewnet Library designs

150 BUILT-IN EMBROIDERY DESIGNS

Choose from a variety of high-quality designs built-in to your machine to get the perfect design for any project quickly and conveniently.

10 BUILT-IN EMBROIDERY FONTS

A variety of embroidery fonts in three different sizes are built in. Uppercase and lowercase letters, plus numbers and symbols to personalize any embroidery project with words, phrases or monograms.

EMBROIDERY AREA

Embroider projects up to 170x100mm (6.7" x 4") with the included hoop. Load a large design or combine designs in the large hoop area.

OVER 250 STITCHES BUILT-IN

Choose from a variety of stitches for basic sewing, decorative sewing, and more. There's a stitch for every project.

ONLINE OWNER'S CLASS

Learn your machine's basics like threading the machine correctly, selecting stitches, setting up your embroidery and more. Available online whenever you are!

MOVE AND COMBINE DESIGNS ON SCREEN

With the ability to move and combine designs on screen, you can create unique 1-of-a-kind embroideries without the need of additional software.

SEWING SPACE

The distance between the needle and the main part of the machine is 6.5" (165mm). Having a generous working area lets you sew larger projects like quilts with ease.

4 BUILT-IN SEWING FONTS

Choose from the built-in selection of sewing fonts to personalize projects with words, or phrases.

ONE-STEP BUTTONHOLE

Quickly and easily make consistent buttonholes that fit your button every time.
